Description

Discover this beautifully constructed two-story residential building in Adichira, Kottayam. Nestled in a serene neighborhood, this property offers the perfect blend of comfort and convenience. Key Features: Generous Space: With a total built-up area of 6,000 sq ft in 19 Cents, this home provides ample room for your family and guests. This building features two houses on the ground floor (Ground floor – 3000 sqft) and one on the top floor (1st floor – 3000 sqft) Each unit has its own independent water (motor) and 3 Phase electricity supply. Modern Amenities: Enjoy the luxury of 8 bedrooms, 8 bathrooms, a well-equipped kitchen, a spacious living room, Visiting room, Office room, Dining room, Sit out, Laundry room, Work area and a private balcony. The building is currently two stories tall, but the foundation has been built to support a four-story structure, Can be added two more floors. The building's interior walls between rooms are constructed with double-fired kiln bricks. A reinforced concrete beam with steel bars runs above all rooms, providing structural support and berth for storage. The kitchen features four side cabinets, a full granite countertop with a wash basin, and a separate dining area. The spacious kitchen includes steel drawer fittings for ample storage. The septic tank for the building was constructed using two or three loads of bricks and native sand. The sewage system is designed to handle the waste generated by a four-story building. A strong beam supports the car porch,
