Description

About Kuthiran : Kuthiran is a well-known mountain pass in Kerala, India, located on the Thrissur–Palakkad stretch of National Highway 544 (NH 544), which connects Kochi to Coimbatore. It is an important route through the Western Ghats and serves as a crucial link for travelers and freight movement between Kerala and Tamil Nadu. Kerala's first road tunnel, the Kuthiran Tunnel, was constructed to ease traffic congestion in this hilly region. It consists of two twin tunnels, significantly reducing travel time and improving road safety.
