Description

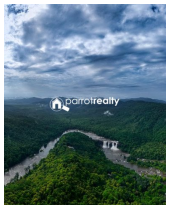

RESIDENTIAL PROPERTY – LAND NEAR Athirappilly – 45 MINS TO CHALAKUDY shorn.mat@gmail.com instagram codename.concord phone/whatsapp 00971553691007 i can let you buy land for cheap price, something like as low as one lak or even less. but i have some conditions. the land owner has agreed to sell but as a whole. so i am looking for others to join my project. the location will be given only after discussion and assurance that you are actual buyer and you need plot with the characteristics. i had to spend many days working behind this project hence you dont have to take holidays and visit the place. i can send you photos and videos or even arrange someone to view it on video call to visualize the actual scene. i have requirement for a small plot to make home. however, i can't buy the entire land which is requirement from the owner. hence this anonymous approach. thank you for your understanding and hope to hear from you.
