Description

About Vythiri: Vythiri is a small, scenic hill town nestled in the Western Ghats of northern Kerala. It's part of the Wayanad district and is known for its cool climate, dense forests, and tranquil atmosphere—very different from the coastal vibe of places like Calicut. Vythiri sits at an elevation of around 700–900 meters above sea level, so the weather stays pleasantly cool most of the year. The area is rich in biodiversity, with thick rainforests, spice plantations, and abundant wildlife. It's a great destination if you want a quiet nature escape rather than a busy tourist hub.
