Description

About Valad: Valad is a village area in Wayanad district of Kerala, located near Mananthavady. It is known for its natural beauty, agricultural landscape, and peaceful rural atmosphere. Surrounded by hills, forests, and plantations. Agriculture is the main livelihood, especially coffee, pepper, paddy, banana, and arecanut cultivation. The area has cool weather and heavy monsoon rains typical of Wayanad. The village reflects traditional Wayanad culture with a mix of farming communities and tribal heritage. Local festivals, temple celebrations, and agricultural activities are an important part of life. Property Details: Land Area: 2acre , 60cent. Cultivation: Coffee, Pepper. Water Source: pond.
